

## SYMPOSIUM

### **Mongolian Rangeland Development & Management**

Spokane Convention Center 202 A,B,C

Thursday, February 2, 2012

Organizer: James O'Rourke, Rancher,  
Chadron, NE

**8:00 a.m. Introduction to the Mongolian Society for Range Management**

Ts. Enkh-Amgalan, MSRM, Mongolia, Mongolia

**8:20 a.m. Pastoral livestock herding – Past, Present, Future**

Dr. Prof. S. Jigjidsuren

**8:50 a.m. Pasture User Group as a collective action model of herders.** Green Gold Project:  
Building on the experience.

Ts. Enkh-Amgalan<sup>1</sup>, B. Batbuyan<sup>2</sup>, <sup>1</sup>MSRM, Mongolia, Mongolia, <sup>2</sup>Pastoralism Study Centre,  
Ulaanbaatar, Mongolia

**9:20 a.m. Legal & Regulatory Framework for Pastureland Management in Mongolia**

Suvd M, School of Law, Otgontenger University, Ulaanbaatar, Mongolia

**9:50 a.m. Break**

**10:00 a.m. Current state and perspective of Mongolian Yak industry**

Dr. Enkhamgalan Ts, Dr. Prof. Zagdsuren. Yo. And Khishigjargal, Ts, Mongolian Society for Range  
Management

**10:40 a.m. Peri-urban Rangeland Leasing Practices and Experiences of PURP-MCA-Mongolia**

Altantsetseg B, Director of Peri-Urban Rangeland Project-MCA-Mongolia

**11:20 a.m. Strategy for the Potential-based Rangeland Health Monitoring program in Mongolia**

D Bulgamaa<sup>1</sup>, U Budbaatar<sup>2</sup>, B Bolormaa<sup>2</sup>, L Otgontuyaa<sup>2</sup>, B Bayarmaa<sup>2</sup>,  
D Burmaa<sup>2</sup>, <sup>1</sup>MSRM, Darkhan-Uul, Mongolia, <sup>2</sup>MSRM, Mongolia, Mongolia

**12:00 p.m. Lunch Break**

**1:00 p.m. Some results of research on mountain steppe rangeland of core area and  
buffer Zone in Hustai National Park of Mongolia**

Kh. Oyunbileg<sup>1</sup>, Ts. Tserendulam<sup>2</sup>, and Oyuntsetseg, B.2 <sup>1</sup>Khustai National Park, Tuv aimag, Mongolia,  
<sup>2</sup>National University of Mongolia, Ulaanbaatar, Mongolia

**1:30 p.m. The Effect of Grazing on plant biomass allocation in Northern Mongolian Forest  
Steppe**

A Batbaatar<sup>1</sup>, B Boldgiiv<sup>1</sup>, L Ariuntsetseg<sup>1,2</sup>, <sup>1</sup>National University of Mongolia, Ulaanbaatar, Mongolia, <sup>2</sup>  
Departement of Botany, Univ. of Wyoming.

**2:00 p.m. Effects of community based rangeland management in grassland of three different  
ecological zones in Mongolia.**

A. Tsevlee, B. Baival, T. Sainkhuu

**2:30 p.m. Some Results of Soil Seed Bank of Dalbay & Turag Valleys in Mongolia**

S. Sumjidmaa,<sup>1</sup> B. Oyuntsetseg,<sup>2</sup>, <sup>1</sup>Master student at Dept. of ecology and <sup>2</sup>Lecturer at Department  
of Botany, School of Biology and Biotechnology, National University of Mongolia, Ulaanbaatar  
Mongolia

**2:50 p.m. Break**

**3:20 p.m. Primary Seeds Planting of three species wildrye in the Forest-Steppe Zone of  
Mongolia**

P. Sukhbaatar and D. Alimaa, Research Institute of Animal Husbandry, Mongolian State University of  
Agriculture Ulaanbaatar, Mongolia

**3:50 p.m. Species Evaluation of Native Ectypes & Foreign Cultivars of Legumes & Grasses in  
Mongolia**

S. Jigjidsuren, D. Lkhagvasuren, D. Tumenjargal<sup>2</sup>, <sup>1</sup>MSRM, Mongolia, Mongolia, <sup>2</sup>Mongolian State  
University of Agriculture, Ulaanbaatar, Mongolia

**4:20 p.m. Panel discussion with all speakers answering audience questions**

**5:00 p.m. Adjourn**
