

FOR IMMEDIATE RELEASE:

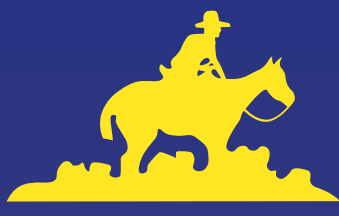

WORKSHOP FOR NATURAL RESOURCE PROFESSIONALS, AGRICULTURAL PRODUCERS,
RANCHERS AND THE PUBLIC IN PALISADE, NOV. 6-8TH

The Colorado Section of the Society for Range Management (CSSRM) hosts a workshop, “Rangelands From A to Z: AgrAbility to Zeedyk” for natural resource professionals, agricultural producers, ranchers and members of the public. This annual workshop offers information, strategies, and new technologies for those working in agriculture, natural resources, and rangeland management.

Topics include, strategies for addressing invasive species, wetland restoration, climate change effects on pollinators, conservation easements, and wild horse management. We will also feature information on the [Colorado AgrAbility Project](#), which informs, educates, and assist farmers, ranchers, farm workers, and their families with disabilities, so they can continue to have successful careers in agriculture. Local ranchers and managers from beyond the state will speak about their experiences in managing the west’s diverse landscapes.

Join us at Wine County Inn from November 6-8 to learn about these & other topics. Registration for the event is available online: <https://www.eventbrite.com/e/rangelands-from-a-to-z-agrability-to-zeedyk-tickets-49652127851>. Registration is \$25 for students, \$60 for CSSRM members & nonmembers prior to October 21. After October 21 registration is \$70 for members/nonmembers. The student rate will not change. For vendors or sponsors interested, the registration fee is \$100 which includes a booth, registration for one employee and acknowledgement on the agenda. Additional employees can register for \$25.

The event starts on November 6 with a tour of the Palisade Insectary. Meet at the insectary for tours beginning at 1 and 2 PM. The workshop includes an awards banquet on November 7. See the CSSRM website for more information and the agenda, www.cssrm.org or call Clare Hydock at 970-852-9791 or email at chydock@fs.fed.us.
