Council Meeting Minutes
Bow River Work Center
June 21, 2007

Those present were Misty Hays, Marji Patz and Bob Sprentall. Since there was a lack of a quorum, no decisions could be made.

Minutes from the February 8, 2007 meeting were reviewed. Mid-year Treasure report was reviewed.

Items to be followed up from last Council meeting:

Misty will contact the UW Range Club this fall pertaining to funding requests for students to attend the National meeting.

Bob will contact Phil Gonzalez about the status of the Bronze and Quilt raffle since he indicated he would work with the Range Club on selling tickets.

Misty will contact area Council members by July 15 to see where all the Quilt raffle tickets are.

Bob will provide an update on the status of Quilt raffle ticket sales and expenses to Misty.

Bob will contact Kay and Janell on who sends out the link to the Section newsletter as no one knew the newsletter was available.

Marji asked if there was a Council member handbook. Bob will check on this but the previous Council member should have one and pass it on. Bob will also see about the Section By-laws.

Marji will provide a write-up on this year's WRED camp as it seemed to be very successful.
