

*Wyoming Section*  
*Society for Range Management*

Council Meeting  
Lander, WY  
November 16, 2011

Those in attendance were: Summer Schulz, Marji Patz, Justin McConkey, Karen Clause, Ben Bonella, Mary Schrader, Jessica Crowder and Bob Sprentall

The purpose of this meeting was to meet with Don Fulton, Casper Area Convention and Visitor Bureau. Don made a presentation that the City of Casper is going through a feasibility study to determine what type and where a new Convention Center should be built. The results of this study should be available in January 2012. All aspects will be considered in this study. Don was asking for the WY Section to put in a bid for the International SRM meeting. Several issues were discussed such as transportation needs, hotel space and the fact that SRM is a space hog and will there be spaces available to hold all the small events that take place such as concurrent sessions, committee meetings, etc. Hopefully those can be answered after the results of the feasibility study.

The Council made to commitment but would approach the Advisory Council to let them know of the possibility and the current feasibility study that is being undertaken to potentially host an International meeting.

Meeting adjourned.

Bob Sprentall  
Secretary/Treasurer
