Council Meeting  
Teleconference/Email Based  
October, 2012

Those in participation were: Ben Bonella, Rachel McGee, Summer Schulz, Ray Gullion, Justin McConkey, Mary Schrader, Michelle Buzalsky and Marji Patz. General membership was included via mail and email.

This meeting and correspondence was conducted in the process to move forward with gaining status back as a non-profit Corporation with tax exemption with the State of Wyoming and Federally. It was necessary to bring the current by-laws up to current standards adding specific language of our purpose as an organization, conflict of interest statement procedures and the statement itself, as well as instating the policy that will help ensure that our status is not lost again in the future. To ensure this happens, the Secretary/Treasurer will serve a five year term that is repetitive if so desired by the membership and president at the time to ensure consistency and knowledge of procedures. This will ensure consistency in address of business to receive correspondence from the state and the IRS as well.

The council took action through email correspondence and a teleconference to ensure everyone was in agreement on the proposed changes to be brought to the general membership. Then the draft changes were mailed to all constituents. There was some correspondence/discussion of the changes but the vote was unanimous to accept the bylaws as amended. The approval was recorded on this day, October 12, 2012.

An Annual Report will be completed on the date of the anniversary of the approval of our re-incorporation as compiled by the Secretary/Treasurer and submitted to the Council for approval before given to the State of Wyoming. Further business or Action on the by-laws will be completed at the Annual Business meeting held in December of 2012. These updates will then be provided to the State of Wyoming along with the new council membership (as required annually.)

Business was concluded for this session.

Marji Patz  
Secretary/Treasurer
