Teleconference
November 26, 2012

Those in participation were: Ben Bonella, Rachel McGee, Ray Gullion, Mary Schrader, Justin McConkey, Michelle Buzalsky, and Marji Patz. Meeting was called to order at 1:00 pm.

Secretary report was given, minutes read from last committee meeting. Minutes were approved as read.

Treasurer's report was given, Fourth Quarter is still not finalized and year end will be completed in January. 3rd quarter was provided and was approved by the council.

Marji gave a report on the non-profit status of the section; we have submitted the paperwork to the state and are awaiting their response.

Michelle provided an annual meeting report on the process of the meeting thus far, seems that everything is going well. There is a need for a ring man during the auction and also need three moderators or so for the break out sessions on Tuesday. The Leadership meeting with the leads of WSGA, WACD and SRM will be held Monday evening at 6:30 location to be announced. The Council dinner will be held on Tuesday after the Reception with location and exact time to be announced. Committee meetings are to occur Wednesday at 10:00 am in the same room. We will meet and then divide. The Business meeting will be moved to Wednesday afternoon in place of the YPC Meeting. The legislative breakfast is Thursday morning, questions were asked for and everyone is invited to attend. A question was called on the location, timing of the HSYF, and this information will be verified and provided as soon as possible. We have been asked to keep awards short, less than 5 minutes per awardees. We need to get the list of all student awards as well. Need to get auction items turned in to be listed online, there are 8 slots open. But there are more slots available on the silent auction as well.

Business was concluded for this session and meeting adjourned at 2:00 pm.
